### MEMBER OF FRYE & WOLCOTT, CPAs NAMED “SUPER CPA” IN VIRGINIA BUSINESS MAGAZINE

Richmond (November 1, 2007) – Thousands of extraordinary certified public accountants (CPAs) work in Virginia, but this year’s “Super CPA” contest in *Virginia Business* magazine identifies more than 400 “best of the best” of the CPA profession. The Virginia Society of Certified Public Accountants (VSCPA) and Frye & Wolcott, CPAs are pleased to announce that Mark R. Frye, CPA, a member of the VSCPA, was selected a winner in the prestigious contest. In its seventh year, *Virginia Business* partnered with the VSCPA to develop this special program to highlight Virginia’s top certified public accountants for their important contributions to the CPA profession and the prosperity of the Commonwealth of Virginia.

*Virginia Business* sent an official ballot to thousands of Virginia CPAs asking them to identify the names of peers they considered to be the best at their craft. After the ballots were counted, more than 400 winners were selected in 12 categories and are highlighted in a special “Super CPAs” report in the November 2007 issue of *Virginia Business*.

*“I’m deeply honored and humbled to be recognized by my mentors and peers as a Super CPA or at least a commendable one. But most importantly, it is the impact we make with our clientele and what they think that matters most. We look forward to continuing to faithfully serve our clientele and the profession for many years to come. Thanks.”* -Mark R. Frye, CPA, CGFM
